Privacy Statement

For each visitor to our web page, our web server automatically recognises only the consumer's domain name, but not the e-mail address and is processed in accordance with GDPR.

The information we collect is used for internal review to improve the content of our web page. The information we collect is used by us to contact consumers for marketing purposes, with your permission.

With your permission you will receive emails from us, if you do not wish to receive emails at any time please let us know by sending us an e-mail to enquiries@tringsportscentre.org

If you supply us with your postal address online you may receive periodic mailings from us with information on new products and services or upcoming events. If you do not wish to receive such mailings, please let us know by calling us at 01442 228957, e-mailing us at enquiries@tringsportscentre.org or writing to us at Tring Sports Centre, Mortimer Hill, Tring, Herts HP23 5JU.

From time to time, we may use customer information for new, unanticipated uses not previously disclosed in our privacy notice. If our information practices change at some time in the future we will notify you and also post the policy changes to our website. If you are concerned about how your information is used, you should check back at our website periodically.

Customers may prevent their information from being used for purposes other than those for which it was originally collected by calling us at the number provided above, emailing us at the above address, writing us at the above address.

Data Protection Act

1. We take the privacy of our members seriously. This statement explains the ways in which we use your personal information. If you have any queries with regard to our processing please contact us.
2. We collect personal information from you through the membership form and your use of our facilities. The information we collect may relate to your physical health or condition.

3. We use your personal information for the purpose of providing and personalising our membership services and providing you with information about products and services offered by us.

Cookies

This website may use cookies and web log files to track site usage. A cookie is a tiny data file which resides on your computer and allows us to recognise you as a user when you return to our site using the same computer and web browser.

Due to the communications standards on the Internet, when you visit our web site we may automatically receive the URL of the site from which you came and the site to which you are going when you leave our site.

We may also receive the Internet protocol (IP) address of your computer (or the proxy server you use to access the World Wide Web), details of your computer operating system and the type of web browser you are using, as well as the name of your ISP. This information is used to analyse overall trends to help us improve our service, but is not linked to personally identifiable information in any way.
